

ATTACHMENT 2. ELIGIBLE APPLICANT DOCUMENTATION

Carpinteria Valley Water District Carpinteria Groundwater Basin Sentry Well Project

The Carpinteria Valley Water District' legal counsel has prepared a letter stating an opinion that the District is a local public agency as defined by CWC 10701a, does have the legal authority to operate, does have the legal authority to enter into an agreement with the State of California. There are no agreements with partner agencies/organizations that ensure the performance of the project or the tracking of funds. The letter from the District's legal counsel is attached.
